Additionally you can choose a simple password for the convention wifi network. Your company logo will also appear on floor decals in the exhibit hall and signage throughout the conference.

Tote Bags (Exclusive Sponsorship) \$8,500

Always a conference favorite, these bags are in demand every year as attendees will use them to hold their conference materials on site and will continue to use at home and work for years to come.

Donate a prize to our "Passport to Prizes"

Draw more people to your booth by participating in our "Passport to Prizes" program.

If you donate a prize, you will be included with your company name/prize on a special recognition sign at the conference as well as listed in the onsite Program Guide.

This is how it works – Each attendee will receive a "passport" in their registration packet requiring them to visit participating exhibitor booths to receive a stamp acknowledging their visit to your booth. When completed they will place their "passport" in a raffle bin, to be eligible to win. It's a fun way to engage with the attendee!

What is an Industry Supported Presentation Theater (ISPT)?

An ISPT is a dedicated time for Industry to host a session that provides information on a specific product or service of interest to APNs working in the area of gerontology. Since these sessions may be promotional and are specific to a certain product, no CNEs are available for these sessions. We do accept CNE sessions and these presentations will not compete with promotional sessions.

The ISPT will allow you the opportunity to highlight your presentation in a relaxed atmosphere while focusing only on your product and the APNs in attendance.

ISPT sessions do not compete with any other educational programming in the time period allotted.
